

PRESS RELEASE

FOR IMMEDIATE RELEASE

**MD LOGISTICS GOES LIVE WITH CUTTING-EDGE PICK-TO-LIGHT TECHNOLOGY
EXPANSION FROM CAPE SYSTEMS**

South Plainfield, NJ (October 5, 2009) – CAPE Systems Group, Inc. (Pink Sheets:CYSG), a leading provider of software technology for packaging design, pallet optimization, RFID Asset Tracking, inventory and warehouse management, supply chain execution and order fulfilment, today announced that **MD Logistics**, based in Plainfield, Indiana, and one of the fastest growing full service logistics providers in the Midwest region, has gone live with an enterprise wide cutting-edge Pick-to-Light technology expansion at one of MD Logistics' flagship distribution facilities.

Mark Sell, CEO of MD Logistics, commented, "We are constantly striving to provide our customers with the best possible service, as well as to always stay ahead of the competition. By utilizing CAPE's advanced technology solutions, we are able to make sure that we are able to fulfil orders for our customers in the most accurate, productive, and efficient manner in the market today. We are extremely pleased with how well CAPE has performed for us through the entire implementation process."

Dave Sasson, COO of CAPE, commented, "We are extremely pleased that MD Logistics has selected CAPE to utilize our cutting-edge Pick-to-Light technology and order fulfilment software solutions at its flagship distribution and logistics center in Plainfield, Indiana. MD Logistics is a recognized name and premier provider of logistics services in the Midwest and we are proud to be a strategic technology provider for them and part of their aggressive growth plans."
